

## ENERGY EFFICIENCY GRANTS FOR SMALL AND MEDIUM SIZED ENTERPRISES

08 March 2023

To: ALL AADA MEMBERS

Grants of up to \$25,000 are now available for small and medium sized businesses across Australia to improve energy efficiency, save on energy bills, and bring down emissions.

These grants will support businesses to upgrade or replace inefficient equipment to improve their energy efficiency and are available for small and medium sized businesses with an employee headcount of 1 to 199 employee averaged over any consecutive 12-month period since 1 July 2019.

The grants cover up to 100% of eligible project expenditure. There is a total of \$16 million available for this grant opportunity.

For more information about the Energy Efficiency Grants and how to apply, visit: [business.gov.au](https://business.gov.au).
