

## QUEENSLAND EV REBATE ENDS TONIGHT

02 September 2024

To: ALL QLD AADA MEMBERS

Please be aware that the Queensland Government's Zero Emission Vehicle Rebate Scheme will close at 11:59pm tonight, Monday 2 September 2024.

Initially planned to run for three years, the scheme has proven popular, finishing in just over two years with the Queensland Government announcing on 31 August 2024 that the program will close as the funding has been exhausted.

The scheme has been in effect since 1 July 2022, and on 1 July 2023, the Queensland Government increased the rebate from \$3,000 to \$6,000 for eligible individuals who met a household income threshold, and increased the vehicle threshold from \$58,000 to \$68,000 (inclusive of GST).

The AADA had confirmed with the Queensland Rural and Industry Development Authority that consumers are able to receive the rebate if they have purchased a vehicle and submitted an application by the 11:59pm deadline tonight.

More information can be found in the [media statement](#).
