

NEW CAR DEALERS SEEKING ELECTION TO THE VACC EXECUTIVE BOARD

7 October 2024

To: ALL VIC AADA MEMBERS

AADA Dealer members in Victoria, who are also members of the VACC, should be aware that the election period for the 2024 VACC Executive Board is set to commence on **October 10** and will close on **15 November** 2024.

There are two franchised new car Dealer candidates running in the election, Sid Cetindag and Paul Hopper.

The VACC is among the most powerful automotive advocacy bodies in Australia and it has a very active Dealer Division, VADA, which works tirelessly for Dealer members in the state of Victoria.

AADA would urge all eligible Victorian Dealer members to consider voting in support of the two Dealer candidates standing for Executive Board positions. Please also note that some Dealers are entitled to more than one vote based on their membership arrangements, so you may want to check this for yourself if you think this applies to your organisation.

Dealers should have received voting forms in the mail. If you have not received them and wish to vote, please contact the VACC.

If you have any questions or need further information, please contact:
