

GOVERNMENT GRANTS NOW AVAILABLE FOR EV CHARGERS AT DEALERSHIPS: DRIVEN PROGRAM

22 January 2025

To: ALL AADA MEMBERS

The Dealership and Repairer Initiative for Vehicle Electrification Nationally (DRIVEN) Program is now open, and rebates are now available for automotive dealerships and EV repairers who meet the qualification requirements.

The DRIVEN program provides eligible dealerships and repairers a rebate to assist in the funding of purchasing and installing smart EV chargers on their sites including those in remote and regional areas.

To be eligible for a rebate, you must have purchased and installed at least one eligible smart EV charger at an eligible site (listed in section 4.2 of the grant opportunity Guidelines) on or after 26 March 2024.

To be considered eligible, your project must have a minimum expenditure of \$2,000.

If you have any questions regarding eligibility criteria, the application process or program dates please contact Business Grants on 13 28 46.

Details regarding the program and how to apply can be accessed on the [Government website](#).

If you have any questions or need further information, please contact:
